Zip Code: * 60103-

Email Address: * Mpmexipino@aol.com

Group/Affiliation: Lakewood Mills

Message: Please move this interchange out of bartlett. My younger child takes a bus to school during the school year and she was late to school a few times due to the train blocking the tracks. There is also the safety issue if the fire dept being on the other side of the tracks. Lastly, after a long day at work, the last thing you want is to be a couple of blocks from home to rest and you have to wait for a train that is blocking the tracks and you have no idea how long your wait will be before it finally clears.

Docket #: - -

Subject: * Spaulding interchange

First Name: * Gloria

Middle Name:

Last Name: * Aragon

Address: * 134 3rd Ave

City: * Barrlett

State: * Illinois

Zip Code: * 60103-

Email Address: * chely9027@gmail.com

Group/Affiliation:

Message: Please move the interchange out of Bartlett. West Bartlett Rd is a high transited road. Stopping trains cause huge delays and make it hard to drive in and out of our mobile home park located right next to the railroad. Once a train stopped for nearly an hour.
