Letter to the STB, I ask that you deny the request for a "private order" from the glbt. If GLBT wants to take 15,000 acres of Sumner Township and cut through our homes, we, as a society, have an obligation to keep this process open and as transparent as possible. We, the people, have a right to properly vet those who desire take through eminent domain and not be railroaded with a swindle. " thank you, Julie Kokos
