Re: Docket No. FD 36005

ENTERED  
Office of Proceedings  
April 17, 2017  
Part of  
Public Record

To Whom it May Concern:

I was provided a copy of the Public Version of the Supplemental Rebuttal Verified Statement of Thomas Crowley and Daniel Fapp filed in this proceeding on April 7, 2014, and believe that the summary of their discussions with me (page 11) is inaccurate.

I am writing to clarify the pricing provided in my letter to A&K Railroad Materials, Inc. of March 29, 2017 and my telephone discussion with Thomas Crowley and Daniel Fapp regarding that pricing. A&K requested and I provided market prices that Cando Rail Services would pay to purchase in bulk and in-place all of the rail and track materials on V&S Railway's Towner railroad line. In addition, the pricing requested by A&K and provided by Cando does not include the costs for track removal or transportation to the location of Cando, both of which would be borne by Cando.

During my recent telephone conversation with Messrs. Crowley and Papp, I explained the pricing in my March 29<sup>th</sup> letter line by line. I did not tell or mean to suggest to Messrs. Crowley and Fapp that my March 29<sup>th</sup> letter contained the retail prices for which I believe Cando could sell the materials to its customers.

Respectfully,
