Re: North Central Mississippi Regional Railroad Authority and Grenada Railway,
LLC – Corporate Family Transaction, FD 36224
Supplement – Interchange Certification

Dear Ms. Brown:

It has come to my attention that the notice of exemption filed in this proceeding by the North Central Mississippi Regional Railroad Authority (“NCMRRA”) on September 13, 2018 did not contain the information required by 49 C.F.R. § 1150.33(h). While there is some legal doubt as to whether that particular regulation applies in this factual circumstance, it is my understanding that some precedent indicates that the regulation is applicable in this circumstance. Accordingly, to avoid any uncertainty, please supplement the September 13, 2018 notice by adding the following:

(h) Interchange Commitments: 49 C.F.R. § 1150.33(h)

I hereby certify that the transaction does not include any interchange commitments that prohibit NCMRRA from interchanging traffic with a third party or limits NCMRRA’s ability to interchange with a third party.

Sincerely,

William A. Mullins
Attorney for North Central Mississippi Regional Railroad
Authority
