I live along the old Delaware and Hudson rail road my property is on the old right of way that was abandoned in 1981 my neighbors and mysels have maintained cleaned plowed and keep up on this old road now here it is 2018 and we are getting nasty letter from the rails to trails saying they own it and are going to put up fenches and gates baring us from using it this is the only access we have during high water our propertys border the susquehanna river on the other side, how is this possible after all these many years they can do this, please the STB has to stop allowing this to happen to us property owners we are the ones that pay taxes on this property just to be pushed off it . Thank you David Lyons
