Please Deny the Motion for Order of Protection requested by GLBT. This rail and highway would only destroy the properties that it goes through. Our farm will be come worthless and there is no benefit for any of the communities it destroyed. They have deceived from the beginning and now they are adding a toll road? Please stop this. Who are the investors that will be destroy a way of life for many many people. We live on a homestead farm where many Indian Artifacts have been found. Please do no approve destroying our lives.
