PETITION FOR DECLARATORY RELIEF
MOTION FOR A PROTECTIVE ORDER**

Pursuant to 49 C.F.R. § 1104.14(b), Chesapeake and Indiana Railroad Company (“CKIN”) hereby requests that the Board issue a protective order allowing them to file under seal a mediation statement prepared for it in the above-captioned proceeding. Although CKIN does not believe this statement is confidential, it is submitting this document under seal out of an abundance of caution on the theory that settlement-related discussions should not be accessible to the public. CKIN was involved in a personal injury suit brought by passengers riding on a train operated by the Hoosier Valley Railroad Museum (“HVRM”) over a line of railroad owned by the Town of North Judson, IN, on which it holds

exclusive freight operating rights. That opinion prepared by the law firm of Fletcher & Sippel concludes that the accident was caused through the negligence of HVRM, not by any negligent actions of CKIN. This opinion is being submitted as an exhibit to the rebuttal reply that CKIN is filing to the opposition reply submitted by HVRM alleging that the accident was caused by CKIN's negligence.

WHEREFORE, CKIN respectfully requests that the Board adopt the protective order contained in the appendix hereto.

Respectfully submitted,

John D. Heffner

3. Confidential Information shall not be disclosed in any way or to any person without the written consent of The Parties or an order of the Board, and then solely for use in connection with this and related Board proceedings, or any judicial review proceeding arising therefrom, provided that such person has been given and has read a copy of this Protective Order and agrees to be bound by its terms by executing the attached Undertaking prior to receiving access to this information.
4. Any documents containing Confidential Information must be destroyed, and notice of such destruction must be served on The Parties, at the completion of this and any related Board proceedings, or any judicial review proceeding arising therefrom.

If any party intends to use Confidential Information at hearings or otherwise in this proceeding or in any related Board proceedings, or in any judicial review proceeding arising therefrom, the party shall submit any filings or documents setting forth or revealing such Confidential Information to the Board, or the reviewing court as appropriate, under seal, and shall accompany such submission with a written request to the Board or the court to (i) restrict attendance at any hearing during discussion of such Confidential Information, and (ii) restrict access to the portion of the record or briefs reflecting discussion of such Confidential Information in accordance with the Protective Order.

7. Any party that files with the Board a document containing Confidential Information must simultaneously file with the Board a public version of that document.

8. All parties must comply with all of the provisions stated in this Protective Order unless good cause, as determined by the Board, is shown by any party to warrant suspension of any of the provisions herein.

UNDERTAKING
