Great Lakes Basin Transportation

Steve Jensen
6718 W 50 South
LaPorte, IN 46350-46350
joandstevejensen@gmail.com

Citizen:

Writing to object to the proposed great Lake Basin Transportation due to lack of merit. Mr Patton is single minded and brings nothing to the citizens. CREATE is already doing what Mr Patton proposed to do and have been making strides to reduce railroad traffic and better organization to the Chicago congestion rail. CREATE is helping all the railroads and is working together and is successful where Patton is single minded "it is all about me(Patton) and his few investors" who have not been disclosed
