Weekly Status Report of Arkema Inc.—December 21, 2017

Complainant Arkema Inc., submits this weekly status report on discovery progress pursuant to the Order that Administrative Judge Dring issued on March 2, 2017, in this proceeding.

1. Progress of Discovery

Arkema continues to review hard-copy records for responsiveness. It is preparing documents for production to Union Pacific by the end of this week. Arkema will continue to review and produce records on a rolling basis.

2. Outstanding Discovery Concerns

None.

3. Plans to Address Outstanding Discovery

Arkema is collecting and reviewing records on a rolling basis to facilitate responses to Union Pacific's discovery requests.

4. Estimate of Time to Address Concerns

Arkema has encountered unexpected difficulty in identifying and collecting responsive documents, and it will not be able to complete its document production by December 31st.

Arkema still believes that any outstanding production will be completed by January 31, 2017, and it will update this estimate if circumstances change.

Respectfully submitted,
