ENTERED
Office of Proceedings
May 19, 2017
Part of
Public Record

I am opposed to the Great Lakes Basin Railroad Project.

The applicant has not proven financial ability to build and operate the proposed project.

The Applicant has not proven there is a public demand or need.

The Applicant has not proven the proposed project helps or reduces congestion. The people of the region do not want nor is there a need for this project.

Disclose the shareholders!

No eminent domain for private gain!
