I am writing to ask that you deny GLBT request for order of protection. As a community we are transparent in our efforts to protect our private land and personal homes, way of life, farming community. We ask the same transparency from the GLBT in thier efforts to move forward with Thier attempts to obtain our land. My kids schools, top in the nation, our friends families, generations of farmers, and our entire community of Grant Park are what we are voicing our opinions to protect. Please require that GLBT railroad disclose Thier efforts. Thank you for recording my request.

Making my voice known, sincerely, Doris Jeske
