Letter of opposition to this Motion.

I oppose this motion for the following reasons.

- 1) The references cited in the application do not compare to this project. The magnitude of this project is far greater .
- 2) The Public comments are open for anyone to see (our names and contact information), so in fairness the Public should have the right to know who is investing in this.

A project of this scale that has not been undertaken in over 125 years merits both transparency and equal treatment for all concerned parties.

Thank You,

Arthur T, LeDoux
