I support the yearly extensions up to a maximum of three (3) years. I also support retaining existing language that regards requests for extensions to be considered "UNFAVORABLE". Conversely, I do not support the use of the term "good cause" but I am in favor of extensions for "EXTRAORDINARY CIRCUMSTANCES" provided said circumstances do not come at the cost of a viable, intact railroad line but rather augment the existing rail infrastructure whenever and wherever possible."

Sincerely,
