–AUTHORITY TO CONSTRUCT AND OPERATE–
PETITION FOR EXEMPTION FROM 49 U.S.C. § 10901 AND SUBTITLE IV –

MOTION FOR EXTENSION OF TIME

Petitioners Texas Central Railroad and Infrastructure, Inc. (“TCRI”) and Texas Central Railroad, LLC (“TCRR”) (collectively “Texas Central”) hereby respectfully request a 30-day extension of time to provide the supplemental information requested by the Board. Pursuant to the Board’s June 20, 2019 decision, supplemental information is currently due on July 22, 2019. Texas Central requests that this deadline be extended to August 21, 2019.

Texas Central is diligently working to compile the requested information, but additional time is needed to provide a complete response to each of the topics the Board has identified. An additional thirty (30) days would allow enough time for Texas Central to compile the information needed to respond to the Board’s request. The brief extension of time requested in this Motion would not prejudice any party and would ensure the Board has the information needed to consider Texas Central’s Petition to Reopen. Texas Central has consulted with counsel for parties of record Texans Against High Speed Rail, Inc., Delta Troy Interests, Ltd., and JBJQ Ranch,

and these parties have represented that they do not oppose Texas Central's request for a 30-day extension.

For these reasons, the Board should extend the time allowed for submitting the requested supplemental information.

Respectfully submitted,
