Complainant,

v.

CSX TRANSPORTATION, INC.

Defendant.

Docket No. NOR 42142

UNOPPOSED MOTION FOR EXTENSION OF TIME

CSX Transportation, Inc. ("CSXT") hereby requests a 20-day extension of time for the parties to file petitions to correct technical and computational errors and petitions for reconsideration of the final decision that the Board issued in the above-captioned proceeding on January 11, 2018 ("Decision"). Pursuant to 49 C.F.R. § 1115.3(e), petitions presently are due on January 31, 2018. Under CSXT's proposal, any petitions for reconsideration or technical corrections will be due on February 20, 2018. Consumers Energy Company ("Consumers") has authorized CSXT to represent that Consumers does not oppose CSXT's Motion. **CSXT requests expedited consideration of this motion.**

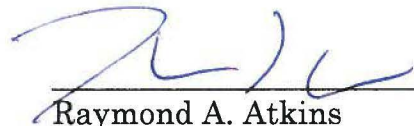

CSXT requests the extension of time so that the parties have sufficient time to analyze the Decision before determining whether to file petitions for reconsideration or for correction of technical errors. The Board's 298-page Decision addresses hundreds of unique and individual issues, and it is supported by 493

workpaper files. Extending the procedural schedule will facilitate the parties' evaluation of the Decision and the Board's workpapers and will allow the parties sufficient time to confer about potential technical corrections.

For the foregoing reasons, CSXT respectfully requests an extension of the deadline to file petitions to correct technical and computational errors and petitions for reconsideration to February 20, 2018. CSXT requests expedited consideration because such petitions are currently due in less than two weeks.

Respectfully submitted,
