I can support the rule change from unlimited 180 day extensions to one year up to a maximum of three years, i do not support the use of the term "good cause" that can mean anything? extensions for extraordinary circumstances still leaves a lot of questions. i believe the STB still needs to consider how many private property owners of these abandoned ROW's are affected by the violation of our 5th amendment rights our right to privacy and our right to use "our property". Thank you
