**Re: Docket No. EP 742 – Amended Notice of Intent to Participate in Public
Listening Session Regarding CSX Transportation Inc.’s Rail Service Issues**

Dear Ms. Brown:

This firm represents Pinnacle Polymers LLC (“Pinnacle”). Pursuant to the Surface Transportation Board’s (the “Board”) decision issued on August 24, 2017, in the above-referenced proceeding, Pinnacle provided notice on September 1, 2017, of its intent to participate in the public listening session originally scheduled by the Board for September 12, 2017.

In light of the Board’s recent decision to postpone the public listening session to an undetermined future date, Pinnacle hereby files an Amended Notice of Intent to Participate.

Depending on when the public listening session is rescheduled, either Pinnacle’s Vice President of Supply Chain, Deneice Bercegeay, or Pinnacle’s Transportation Manager, Matthew Perry, will provide testimony at the rescheduled public listening session.

Sincerely,

A handwritten signature in black ink that reads 'Joseph R. Heffern'.
