SURFACE TRANSPORTATION BOARD

Docket No. MCF 21059

ACADEMY EXPRESS, LLC—ACQUISITION OF THE PROPERTIES
OF GO BUS LLC AND ITS AFFILIATE, MCIZ CORP.

REPLY
OF
ACADEMY EXPRESS LLC

Applicant, Academy Express LLC, furnishes the information sought by the Board in its Decision, served August 21, 2014, as follows:

1. Academy Express LLC is a duly certificated motor carrier authorized to engage in interstate and foreign commerce. It primarily engages in special and charter operations, most frequently under contracts with associations or other groups, in interstate commerce from and to points and places usually in the states of New York and New Jersey and to a lesser extent, Virginia, District of Columbia, Maryland, Pennsylvania, Connecticut, Rhode Island and Massachusetts. Additionally, Academy Express LLC operates a commuter line service between the states of New Jersey and New York pursuant to a contract with New Jersey Transit Corp.

Go Bus LLC and MCIZ Corp. are duly certificated motor carriers authorized to engage in interstate and foreign commerce. They primarily engaged in special and charter operations in interstate commerce from and to places in the state of New York. Additionally, Go Bus LLC rendered regular-route service between the cities of New York, NY, and Cambridge and Newton, MA, and a commuter line service between the cities of Glen Cove, NY, and New York, NY. MCIZ Corp. is authorized to engage in

intrastate commerce in the state of New York, and pursuant to a contract with the New York City Board of Education, won by competitive bidding, transported students and their teachers on day trips from and to places in the state of New York for sports or other events.

2. Were the Board to approve its Application, Academy Express LLC anticipates that, in addition to soliciting the special and charter operations heretofore rendered by Go Bus, LLC, it will perform the regular-route service between the cities of New York, NY, and Cambridge and Newton, MA, and, pursuant to its state of New York intrastate operating authority, the commuter line service between the cities of Glen Cove, NY, and New York, NY. Academy Express LLC has contacted the New York City Board of Education and requested the immediate assignment of MCIZ Corp.'s contract so that it will be able to transport the students and their teachers on trips from and to places in the state of New York for sports and other events.

3. The decision of Go Bus LLC and its affiliate, MCIZ Corp. to surrender their interstate operating authorities will have little or no affect on availability of competitive bus service. In addition to Academy Express LLC, there are dozens of certificated motor carriers of passengers which are authorized to render the special and charter operations in interstate commerce from and to places in the state of New York previously performed by Go Bus LLC and MCIZ Corp. In providing the regular-route service between New York, NY, and Cambridge and Newton, MA, heretofore performed by Go Bus LLC, Academy Express LLC will need to compete with Greyhound Lines, Inc., and Peter Pan Bus Lines, Inc., as well as other certificated motor carriers of passengers. including Martz Trailways, Magic Carpet Tours and Majestic Tours, Inc. In rendering the commuter

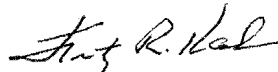

service between Glen Cove, NY, and New York, NY, which Go Bus LLC performed, as well as in competing for the City of New York Department of Transportation contract pursuant to which MCIZ Corp. transported the students and their teachers, Academy Express LLC will need to compete with the various services of the Metropolitan Transportation Authority. The passengers who formerly relied on Go Bus LLC and/or MCIZ Corp. for their special and charter bus operations or commuter bus operations will find that the services offered by Academy Express LLC are far superior. The more than 400 buses of Academy Express LLC are newer, more comfortable and maintained in better condition than were the buses of Go Bus LLC and MCIZ Corp. Because of its size, Academy Express LLC is able to render more frequent service and at lower cost than Go Bus LLC and MCIZ could. Academy Express LLC is one of the Nation's largest motorbus companies, and it is chaired by Mr. Francis Tedesco who is among the foremost experienced and successful executives in the industry.

4. The top-to-bottom corporate organization chart of Go Bus LLC is attached.

Respectfully submitted,

ACADEMY EXPRESS LLC
