ENTERED
Office of Proceedings
June 5, 2017
Part of
Public Record

Please reject the glb application today. It is anything but complete! A secretive, speculative, abusive, application should not even be considered. they have proved nothing except for being inexperienced and ill prepared and in no way have they proved that this project would be for the public good. It would be just the opposite. This needs to end now and let us hardworking, tax paying, landowners and citizens, get back to our lives! thank you.
