block glb railroad

I don't understand why they don't have to show their finances, when I have to once a year at tax time, when mine are due. Please deny their order of protection to the public. Their and 1000's of us that do not support this project called the Great Lakes Basin Transportation Rail road. Eminent Domain should depend a pond the intentions of the party's as does a contract. The intention of the GLBT is for private and personal gain.
