Re: Finance Docket No. FD-36169; Chester County, PA – Petition for Declaratory Order

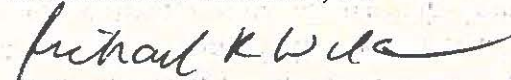

Dear Mr. Zimmerman:

As a follow up to my letter of May 30, 2018 setting forth the procedural schedule for the above captioned proceeding, I wish to advise you that the parties are conferring on a possible resolution of this matter and require an additional thirty days be added to each of the dates set forth in the current procedural schedule. Chester County Commissioners require additional time to consider acquisition options posed by Norfolk Southern and therefore ask the Board to extend the procedural schedule to afford additional time to consider the Norfolk Southern proposal.

Should you have any further questions in connection with this request, please do not hesitate to contact me.

Very truly yours,

RICHARD R. WILSON, PC
