Surface Transportation Board,

I strongly feel that the GLB Railroad project is not in the best interest of the public. Also the fact that this is a project that affects so many from the general public, I feel that the GLBT's motion for a Protective Order to keep its backers secret should be denied. If they want to steal land from the citizens and disrupt our way of life with a new, unneeded railroad along with a tollway, then I feel we have a right to know who is behind this project.

Sincerely,
Thomas L. Holmes
