Re: Docket No. FD 36298, Naval Nuclear Propulsion Program, United States
Army Military Surface Deployment and Distribution Command, and
Fluor Marine Propulsion, LLC – Joint Petition for Declaratory Order

Dear Ms. Brown:

The Joint Rebuttal Statement of the Naval Nuclear Propulsion Program, United States Army Military Surface Deployment and Distribution Command, and Fluor Marine Propulsion, LLC ("FMP"), filed with the Board on June 14, 2019, contains a typographical error in one of the rebuttal exhibits. Specifically, in Bernhard E. Gundermann's Rebuttal Verified Statement Exhibit No. 5 (BEG-R5), the "If Corrected" Milepost for the Old Freight House (denoted in blue) should be "MP 31.40," not "MP 30.40." We append a revised Gundermann Rebuttal Exhibit No. 5 (BEG-R5) that corrects this error and request that it be substituted for the exhibit as originally filed.

Thank you for your attention to this matter.

Respectfully submitted,

John H. LeSeur
An Attorney for FMP
