Defendant.

**NOR 42144, et al.
(consolidated)**

Joint Status Report and Motion for Modification of Procedural Schedule

The Complainants in Docket No. NOR 42144,¹ and in Docket Nos. NOR 42150, 42152 and 42153,² (collectively “the Complainants”), jointly with defendant, Union Pacific Railroad Company, hereby submit (1) a Joint Status Report as required by the Board’s decision served in

¹ Complainants in Docket NOR 42144 are The North America Freight Car Association; the American Fuel & Petrochemical Manufacturers; The Chlorine Institute, Inc.; The Fertilizer Institute; the American Chemistry Council; Ethanol Products, LLC d/b/a Poet Ethanol Products; Poet Nutrition, Inc.; and Cargill Incorporated.

² Complainants in Docket NOR 42150 are Valero Marketing and Supply Co. and Valero Rail Partners, LLC; Complainants in Docket NOR 42152 are Tesoro Refining & Marketing Co. LLC; Tesoro Great Plains Gathering & Marketing LLC; and Dakota Prairie Refining, LLC; and Complainant in Docket 42153 is Arkema, Inc.

these consolidated proceedings on March 31, 2017, and (2) a request for a slight modification of the procedural schedule previously established by the Board.

Specifically, pursuant to the Board's March 31, 2017 decision, the parties jointly advise the Board that discovery in these cases is complete as of January 22, 2019. The parties also advise the Board that the procedural schedule established by the Board in that decision shall run from the date of this Joint Status Report, and they request approval of the following slight modifications to that schedule to accommodate upcoming Presidents Day, Easter and Memorial Day federal holidays:

Complainants' Opening Evidence and Argument shall be due on **February 22, 2019**

Defendant's Reply Evidence and Argument shall be due on **April 26, 2019**

Complainants' Rebuttal Evidence and Argument shall be due on **May 31, 2019**.

Whereas the original schedule called for opening, reply and rebuttal evidence and argument to be filed 30, 90, and 120 days after the close of discovery, respectively, the jointly proposed modified schedule would enlarge the filing deadlines to 31, 94, and 129 days after the close of discovery.
