Re: Pan Am Railways' Petition AB1256

Dear Ms. Brown,

We are writing in opposition to Pan Am Railways' Application for Adverse Discontinuance of the Milford Bennington Railroad's operations from Wilton to Milford. As the Governing Body of the Town of Greenfield we want to take this opportunity to advise you of the importance of the railroad during the course of the town's history. We believe that the railway can continue to provide for the town's future economic development if allowed to continue. As such we desire that your office include this letter with the proceedings associated with Petition AB1256.

Thank you for your attention to this matter,

TOWN OF GREENFIELD
