Dear Mr. Etzel,

I am so glad you have written to propose Union Pacific work with Kinder Morgan and Kinder Morgan's customers to resolve outstanding billings. Union Pacific has been and remains open to billing receivers' customers for charges the receivers incur on behalf of their customers. In fact, we already have specifically engaged with Kinder Morgan to use this approach to resolve your outstanding billings. To date, despite our efforts, this approach has not produced a complete resolution of these outstanding billings. Your letter holds new promise.

Lindsey Munro, Director of Revenue Accounting, can be reached at (402) 544-2727, and will serve as Union Pacific's contact in this effort. Please identify a Kinder Morgan contact Lindsey can reach to quickly complete this process.

We appreciate your outreach and look forward to working together.

Sincerely,

Kenny Rocker
