Re: Lehigh Valley Rail Management, LLC – Abandonment Exemption – In Cambria County, PA – STB Docket No. AB-1265 X; Supplemental Request for Notice of Interim Trail Use

Dear Ms. Brown:

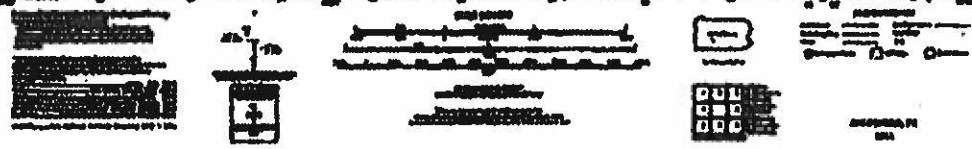

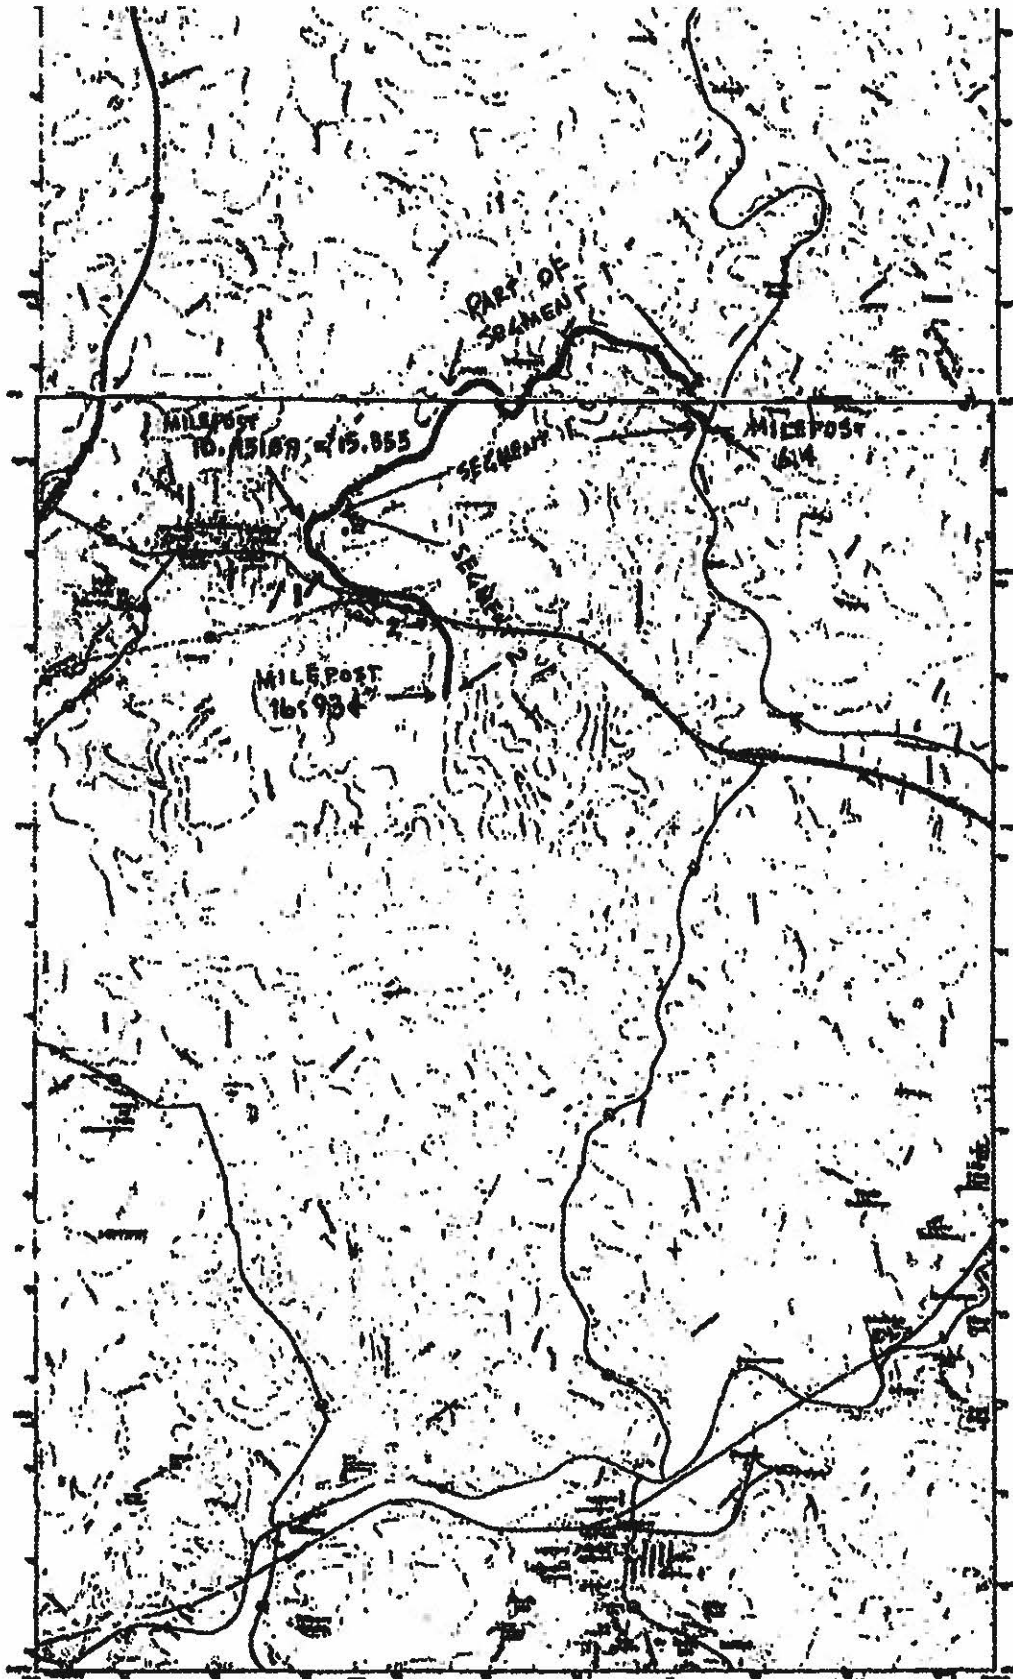

The railroad right of way in this proceeding is suitable for railbanking. In addition to the public use condition previously sought, Cambria County Conservation and Recreation Authority ("CCCRA") also makes the following Supplemental Statement:

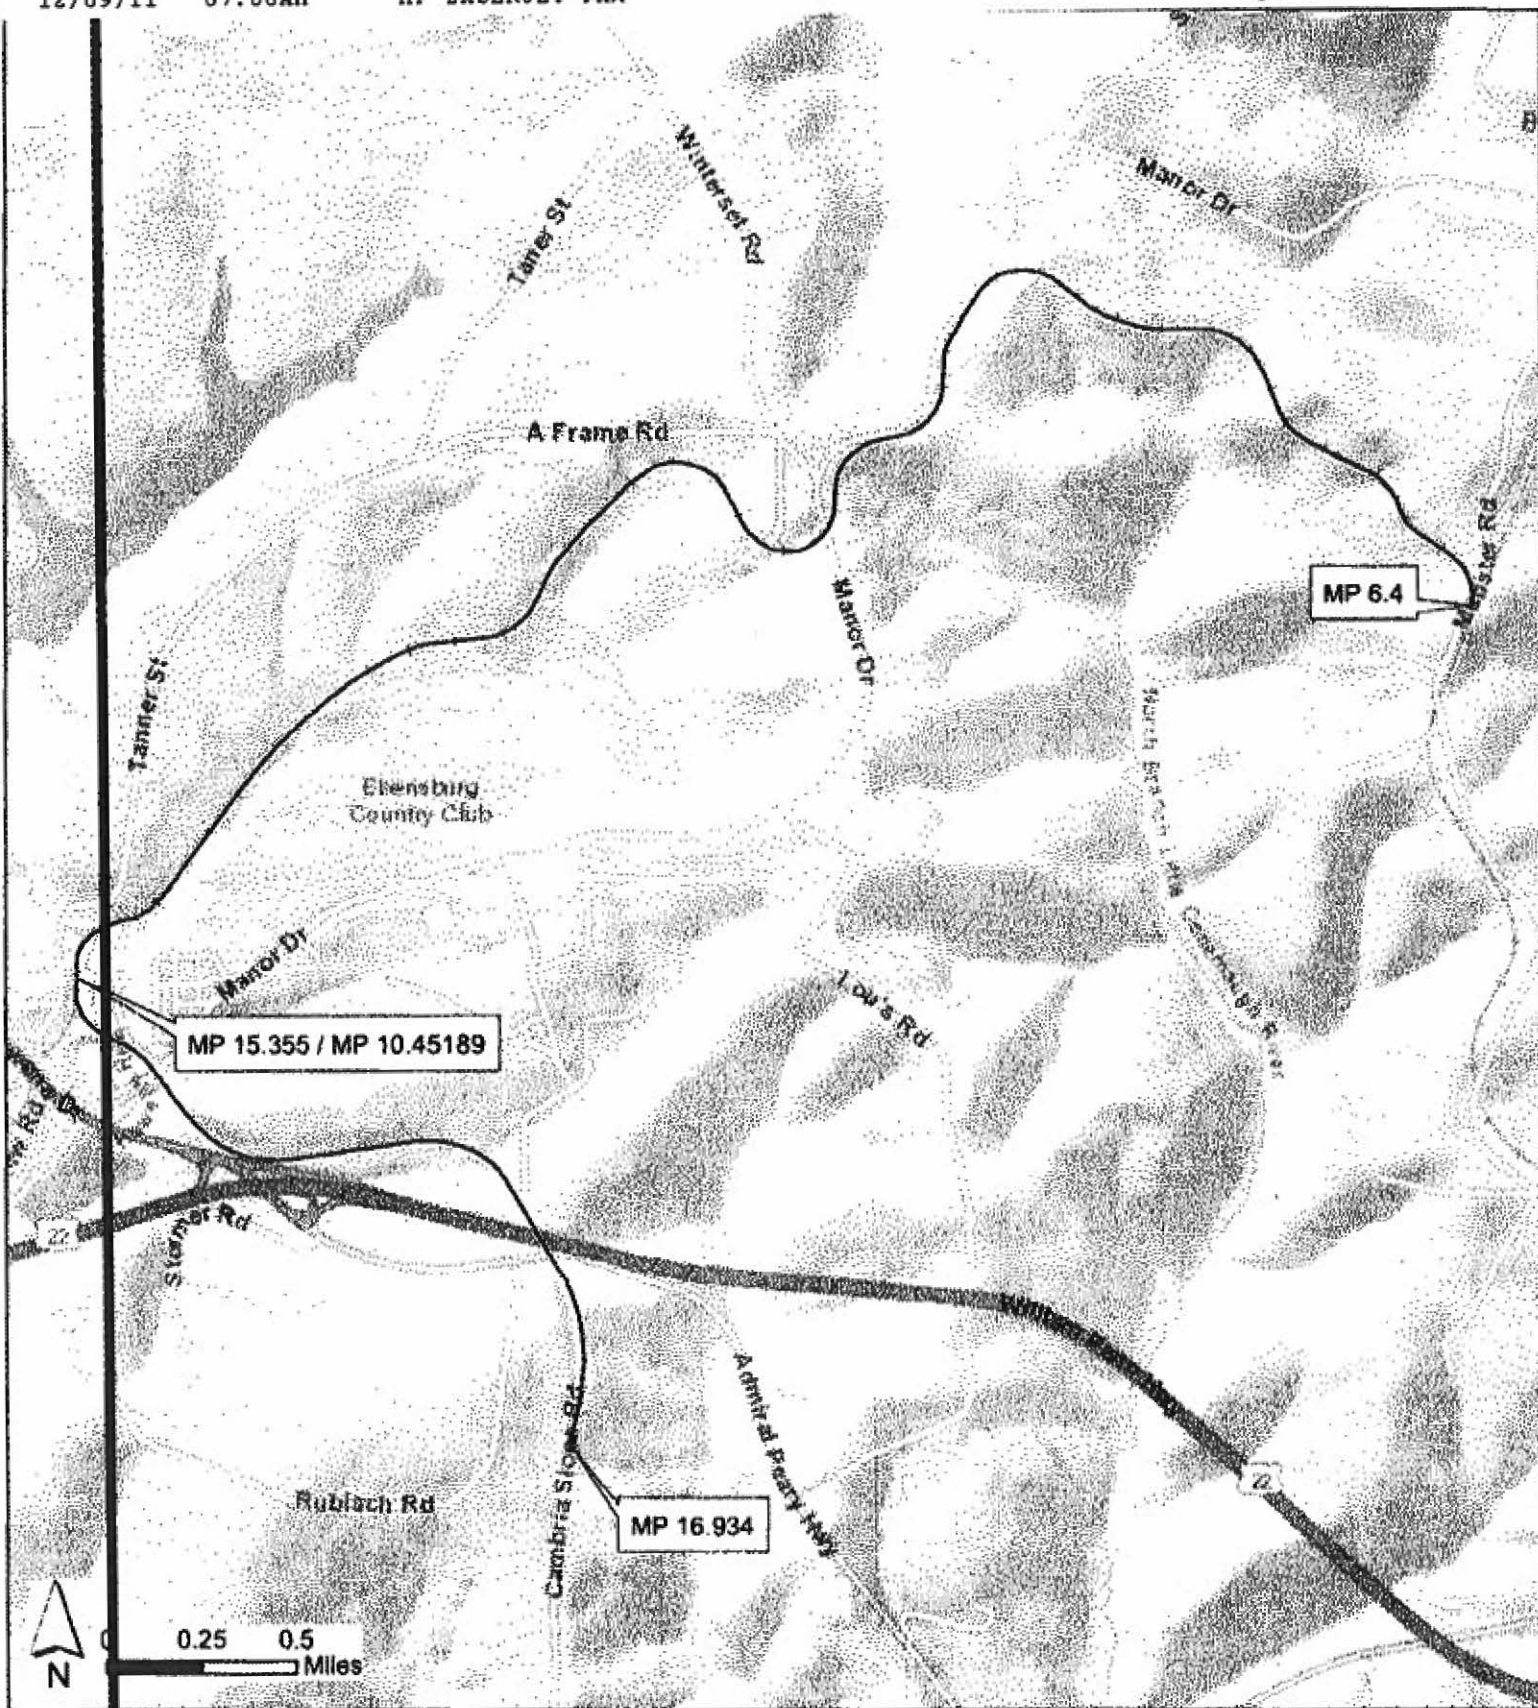

Supplemental Statement of Willingness to Assume Financial Responsibility

In order to establish interim trail use and railbanking under §8(d) of the National Trail Systems Act, 16 U.S.C. §1247(d), and 49 C.F.R. §1152.29, the CCCRA is willing to assume full responsibility for (1) management of, or any legal liability arising out of the transfer or use of the right of way, and (2) for the payment of any and all taxes that may be levied or assessed against the right of way. The property to which this request pertains is a 6.4 mile section of rail line as described in the Environmental and Historic Report filed with the Board on February 14, 2019 and as depicted on the enclosed map. CCCRA acknowledges the use of the right of way is subject to its continuing commitment to meet its responsibilities described above and subject to possible future construction and reactivation of the right of way for railroad purposes. By my signature below, I certify service on Lehigh Valley Rail Management, LLC, c/o Eric Hocky, Esq., Clark Hill PLC, 1 Commerce Square, 2005 Market Street, Ste. 1000, Philadelphia, PA 19103 by U.S. Mail, postage prepaid, first class on April 30, 2019.
