Re: Docket No. FD 35478 Rocky Mountain Railcar and Repair, Inc. (RMRR)

Dear Cynthia Brown:

Due to a request for additional clarification, Rocky Mountain Railcar and Repair, Inc. (RMRR) desires to clarify the current status with regards to the proposed purchase of 11.5 miles of rail line from Utah Industrial Depot (UID). The purchase was never consummated between RMRR and UID. Further, RMRR has not pursued purchase of any rail line nor does it have access to the Union Pacific Railroad Company main line.

Regards;

Richard Western
