Public Record

Ms. Cynthia T. Brown, Chief Officer of Proceedings STB Washington DC,

I am writing to ask you to DENY the request from glb for the motion for the protection order of not revealing it's investors. This is very, very troubling to me and my neighbors, withing this very devastating project.

To give foreign investors the luxury of abusing our eminent domain laws to to steal our American farms and residences within the boundaries of this glb project, for the private gain of all private investors for this project is very upsetting. Sincerely, Thomas P Peterson
