JOINT WEEKLY STATUS REPORT – APRIL 27, 2017

Complainants Valero Marketing and Supply Company and Valero Rail Partners, LLC, Tesoro Refining & Marketing Company LLC, Tesoro Great Plains Gathering & Marketing LLC, and Dakota Prairie Refining, LLC (collectively, “Complainants”), and Defendant Union Pacific Railroad Company (“Union Pacific”) submit this status report on discovery progress as requested by Administrative Law Judge Dring at a status conference on April 19, 2017.

1. With Union Pacific’s agreement, Complainants filed on Tuesday a motion to amend the protective order in NOR 42144 to include the proceedings and parties in the now consolidated cases, NOR 42150 and NOR 42152.

2. Counsel for Complainants and Union Pacific conferred by telephone on April 25, 2017, to discuss discovery issues.

3. The parties have reached a broad agreement in principle on the protocol for production of electronically stored information.

4. Complainants expect to begin production next month of several categories of information, including tank car fleets, tank car movements, payments information, ownership and maintenance costs, and repair or retrofit information.

5. Complainants will serve their own limited discovery on Union Pacific.

6. Complainants note that discovery has been open in this matter since at least April 2015, but Complainants' cases were only consolidated into these proceedings as of March 31, 2017. Complainants will make reasonable efforts to complete discovery as expeditiously as possible so that the Board may rule on the merits of this dispute.

Respectfully submitted,
