Re: Notice of Intent to Participate in EP 754, Oversight Hearing on Demurrage and Accessorial Charges

Dear Chairman Begeman:

Please consider this letter as written notification that that International Association of Refrigerated Warehouses (IARW) intends to participate in the Surface Transportation Board's "Oversight Hearing on Demurrage and Accessorial Charges" scheduled for May 22, 2019. The IARW is a 501(c) (6) non-profit trade association representing the temperature controlled third-party logistics industry and demurrage policies have a significant impact on our member companies.

Thank you for holding this important hearing and we look forward to participating. Please let me know if you have any questions or need additional information ahead of the hearing.

Sincerely,

Lowell Randel
Vice President, Government and Legal Affairs
