Docket #FD35952
Surface Transportation Board
395 E. Street SW
Washington, DC 20423-0001

I am writing to ask you to **DENY the Motion for Order of Protection as requested by GLBT**. As taxpayers and property owners, we faithfully pay our taxes, improve our homes and property and many of our neighbors make their living off of their land. To allow a private company to come into our communities and take our property through eminent domain is an outrage and a threat to the livelihood of every citizen who lives near or in the path of the proposed railroad. To do so without having to disclose who the investors are in this boondoggle is an even greater affront to those of us who are affected. We have every right to know who will benefit financially from this unnecessary intrusion into our lives.

Please **DENY the Motion for Order of Protection as requested by GLBT**.

Respectfully submitted,

Kathleen Hendee
