RE—EP-749-1 PROPOSED RULEMAKING TO LIMIT NITUs TO A MAXIMUM OF SIX (6)180 DAY EXTENSIONS

Please limit NITU's to a maximum of six extensions so that the matter of the railway right-of-way along 16 miles of our property in the Eel River Valley can be resolved definitively. Without a clear maximum, our quiet enjoyment of our landholding and future in the valley suffer from great uncertainty and constant anxiety. Enough is enough, please. MGW
