Re: Docket No. 526 (Sub-No. 10), *Notice of Railroad-Shipper Transportation Advisory Council Vacancies*

Dear Ms. Brown:

The Kansas City Southern Railway Company (KCS) wishes to nominate Mike Bilovesky, KCS's Vice President, Sales & Marketing, Agriculture and Minerals Business Unit, for a three-year term as a large railroad representative on the Railroad-Shipper Transportation Advisory Council (RSTAC).

Mr. Bilovesky has over 25-years' experience with KCS in the Sales & Marketing Department. Prior to joining KCS in 1992, Mr. Bilovesky spent about a dozen years with another large railroad. The portfolio of products under Mr. Bilovesky's supervision at KCS includes not only grain, but also other food products, ores and minerals, and glass and stone products, including some construction materials.

Mr. Bilovesky is active in industry matters. He is a current member of the Board's National Grain Car Council and has served as Assistant Chairman and Chairman over the years. He also is active in National Grain & Feed Association activities. He is currently a member of the Rail Arbitration Rules Committee and Arbitration Appeals Panel. He has also served as an arbitrator in NGFA's arbitration system, among other things.

As a representative of a smaller, midwestern Class 1 railroad with both domestic and international focus, Mr. Bilovesky will be able to provide RSTAC with broad knowledge on trade and industry issues, both domestic and international.

KCS agrees to be responsible for Mr. Bilovesky's expenses incidental to service on RSTAC, including any annual dues that RSTAC members agree to assess themselves to support RSTAC's expenses. Mr. Bilovesky recognizes that RSTAC members receive no compensation for their service on RSTAC.

Sincerely,

David C. Reeves
