ENTERED
Office of Proceedings
June 22, 2017
Part of
Public Record

The Great Lakes Basin Railroad, claims to be a rail bypass of Chicago, IL. The STB requested from them a list of cities to be served by their rail line, GLBT failed to mention Chicago as a city served by the rail line. Therefore, once again their application is incomplete. I am requesting an immediate rejection of this application as GLBT has once again failed to provide accurate answers to serious questions and concerns raised regarding this project.
