MONARCH VENTURES INC.'S COMMENT ON "MOTION" FILED BY KASANDRA
ALDEN & RICHARD SPENCER ON MARCH 4, 2017

Monarch Ventures Inc. ("Monarch") notes that the Motion filed by Ms. Alden and Mr. Spencer seeks to leave to file a reply to a reply, something that they themselves acknowledge is not permitted by 49 CFR 1104.13(c). The Motion and the comments attached to it should be removed from the record of this proceeding.

Monarch's failure to comment on the Motion further should not be construed as agreement with the statements contained in the comments, which statements relate almost entirely to employment matters that are governed by Canadian federal and provincial employment laws that apply in the Canadian jurisdictions in which these employees work. It is submitted that the issues raised in the Motion as filed are not relevant to the proper regulation of the motor carrier industry or any other legitimate issue in this proceeding.

We respectfully request the Board to confirm its December 20, 2016 decision as soon as possible so that further delay does not adversely impact Monarch's financial and operational plans.

Respectfully submitted,

For Monarch Ventures Inc.
