I am opposed to the GLBT Railroad Project. The residents of Kankakee County and especially Salina Township do not need this railroad anywhere near our communities or CHILDREN. It will cause great problems for fire/ambulance response times, school bus safety/delays, aquifer/well water concerns and most of all the possibility of hazardous material spills. The prime farmland that will be lost is incomprehensible and should never be allowed. Please consider all the aforementioned concerns and deny all permits or approvals of the GLBT Project. Thank You
