FD-35952

GLBT Application

Fred Scheppler

2144 North 40th Road

Fred Illinois 60549

lauraanddennis1@netzero.com

ENTERED
Office of Proceedings
May 12, 2017
Part of
Public Record

The Great Lakes Basin Project is the largest such project in over 100 years. As such, any comparison or use of rule exceptions granted to smaller projects is null and void. I am asking that the GLBT request for confidentiality be denied. I am also asking for this project as a whole to be immediately denied on the grounds they have failed to prove public necessity.
