Re: STB Finance Docket No. 36310, Kansas & Oklahoma Railroad, L.L.C. –
Operation Exemption – Colorado Pacific Railroad, L.L.C.

Kansas & Oklahoma Railroad, L.L.C. ("K&O"), is filing for authority to operate the rail line located between milepost 747.5, near Towner, and milepost 869.4, near NA Junction, in Pueblo, Crowley, Kiowa, and Otero Counties, Colo (the "Line"). There have been no operations on the Line since 2012 and no longer any employees or workplaces where notice can be provided. Consequently, on April 5, 2019, K&O posted the attached Notice at 100 N. Main, Scott City, KS 67871, which is the western most duty location currently on the K&O and will become the only duty station for operations over the Line. Under these circumstances, K&O respectfully urges the Board, to the extent deemed necessary, to waive any posting requirements other than the posting of the Notice at Scott City. There are no labor unions with employees that worked on the Line. Consequently, K&O is not able to serve a copy of the Notice on any labor union.

If you have any questions regarding this matter, please contact me.

Sincerely,

Karl Morell
