ENTERED  
Office of Proceedings  
October 6, 2017  
Part of  
Public Record

Do NOT allow the municipal leaders of Noblesville and Fishers to rip out the rails for yet another walking trail that is not needed. The Indiana Transportation Museum has been dealt a low blow by the Leaders without regard for what the community wants or for the preservation of RR history.

I certify that these comments have been provided to the Applicant's Attorney of Record via email. /S/ Gregory J Ryan
