**Re: Docket No. EP 742 – Notice of Intent to Participate in Public Listening
Session Regarding CSX Transportation Inc.’s Rail Service Issues**

Dear Ms. Brown:

This law firm represents Pinnacle Polymers LLC (“Pinnacle”), a chemical company located at One Pinnacle Avenue, Garyville, LA 70051, which manufactures various plastic polymers. For many years, Pinnacle has employed CSX Transportation Inc. (“CSX”) as one of its primary means for transporting polypropylene from its plant in Garyville to Pinnacle’s customers located throughout North America.

Pursuant to the Surface Transportation Board’s (the “Board”) decision issued on August 24, 2017 in the above-referenced proceeding, Pinnacle hereby provides notice of its intent to participate in the public listening session scheduled by the Board for September 12, 2017.

Pinnacle’s Transportation Manager, Matthew Perry, will provide testimony concerning how CSX’s ongoing delays and service problems are adversely affecting Pinnacle and jeopardizing its business with both its suppliers and customers.

Sincerely,

A handwritten signature in black ink that reads 'Joseph R. Heffern'.
