Dear Sirs;

ENTERED
Office of Proceedings
JULY 17, 2017
Part of
Public Record

This letter is to express
my objections to the proposed
"Crest Lake Basin Railroad."

The railroad would
completely disrupt township
government, school districts,
fire protection, ambulance
service for untold numbers
of citizens!

We have existing railroad
which can be updated. Our
interstate highways carry
increasing amounts of our
daily supplies!

Respectfully
Roger Hinkle
