Dear Sirs,

I am writing to request that the STB deny the Motion for Protective Order by the Great Lakes Basin Railroad.

The Great Lakes Basin Railroad has not revealed finances in their application and have requested that the principle stockholders and other documents remain hidden.

As a citizen, I believe I have the right to know who is threatening to change my community, my property, my safety, and my way of life.

This project has an estimated cost of 8 BILLION dollars. The extreme cost of this project itself requires transparency for the public.

Please deny the Motion for Protective Order by the Great Lakes Basin Railroad, Docket # FD-35952.

Sincerely,

Diana L. Gibson
