Re: STB Finance Docket No. 35743, Application of the National Railroad Passenger Corporation Under 49 U.S.C. § 24308(a) – Canadian National Railway Company

Dear Ms. Brown:

In a decision served September 23, 2014 (the “September 23 decision”), the Board directed Amtrak to produce certain additional documents in accordance with its decision and also modified the existing procedural schedule in the above captioned proceeding “so that opening submissions are due no later than 30 days after Amtrak completes its discovery to CN.” *Application of the Nat’l R.R. Passenger Corp. Under 49 U.S.C. § 24308(a)—Canadian Nat’l Ry. Co.*, FD 35743, slip op. at 11 (STB served Sept. 23, 2014). The Board directed Amtrak to file a notice when its production to CN is complete. *Id.*

Subsequent to that decision, CN filed a Third Motion to Compel on December 2, 2014. *Application of the Nat’l R.R. Passenger Corp. Under 49 U.S.C. § 24308(a)—Canadian Nat’l Ry. Co.*, FD 35743, slip op. at 2 (STB served Feb. 2, 2015). On February 2, 2015, the Board issued a decision (the “February 2 decision”) directing Amtrak and CN to file status reports concerning discovery in connection with that motion. *Id.*

On February 10, 2015, in accordance with the Board’s February 2 decision, both CN and Amtrak provided responses to the Board’s request for further information on discovery progress. On March 6, 2015, in accordance with the September 23 decision, Amtrak notified the Board that its discovery production to CN is complete. CN’s Third Motion to Compel remains outstanding. By this letter, Amtrak seeks clarification regarding the due date for opening submissions under the procedural schedule in the September 23 decision.

Respectfully submitted,
