UNITED STATES RAIL SERVICE ISSUES—PERFORMANCE DATA REPORTING

**PETITION FOR RECONSIDERATION OF
THE FERTILIZER INSTITUTE**

Pursuant to 49 C.F.R. § 1115.3, The Fertilizer Institute (“TFI”) hereby submits this petition to reconsider the decision served in the above-captioned docket by the Surface Transportation Board (“Board”) on November 30, 2016, on grounds that the decision will be affected by new evidence that renders it materially incomplete. In the new rules, the Board adopted requirements for reporting of cars in fertilizer service and defined “fertilizer” by 14 STCCs provided by TFI in its comments. TFI, however, has identified an additional fertilizer STCC, 2871313, that should be included for the list to be complete. Therefore, TFI petitions for reconsideration of the decision to add STCC 2871313 to the definition of “fertilizer” at 49 C.F.R. § 1250.2(a)(6).

Respectfully submitted,
