Re: Finance Docket No. 35952, Great Lakes Basin Transportation, Inc. -
Authority to Construct and Operate a Rail Line in Indiana, Illinois and
Wisconsin

Dear Ms. Brown:

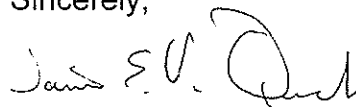

I own a parcel of property that is on the proposed route proposed by Great Lakes Basin Transportation, Inc. ("GLBT") in FD 35952. I participated in the environmental phase of the proceeding. I intend to actively participate in further proceedings. I request to be added to the Official Service List as a party of Record. I prefer service by e-mail. My service address is:

Janis Von Qualen
1716 S. Whittier Ave.
Springfield, IL 62704
E-mail: trs1954@att.net

I join in the request for an extension of time to file written comments, filed on May 3, 2017 by the Opposition Groups. I share the due process concerns raised as factors in support of the request for additional time to file comments. I support the request that the moratorium on environmental proceedings be continued until comments are filed in response to the Application for the same reasons. I support an extension of time to respond to the Motion for Protective Order filed by GLBT on May 1, 2017.

Consistent with the May 9, 2017 Decision, as an individual landowner, I have not served all parties on the service list.

Sincerely,

Janis E. Von Qualen
