In accordance with the May 4, 2018, order of Administrative Law Judge John P. Dring, Union Pacific submits the following discovery status report.

Arkema has been producing documents to Union Pacific on a rolling basis. Union Pacific has no other outstanding document requests.

Union Pacific has completed its production of documents and other information.

Arkema's counsel stated last week that Arkema expected to complete its production of responsive documents by May 30. As of this report, Union Pacific has not received Arkema's

final production or its privilege log. Union Pacific remains hopeful it will be able to depose a witness for Arkema in early July, depending on the ultimate size of the final production, the resolution of any questions that arise regarding the productions and the privilege log, and the availability of counsel and witnesses.

Respectfully submitted,
