Message: Sorry this is late. We are raising a family and we oppose the rail to trail in our back yard. The railroad property directly meets our property. There is a huge security issue and we worry about the safety of our family, our loss of privacy, trespassing, insurance issues, disturbance of the natural environment, noise disturbance in our quiet neighborhood. We have lived in our home for 30 years. We would welcome the train back. We bought our property knowing the train came twice a day. We did not sign up for thousands of people walking right in our back yard. Thank you for listening.
