Weekly Status Report of Arkema Inc.—July 5, 2018

Complainant Arkema Inc., submits this weekly status report on discovery progress pursuant to the Order that Administrative Judge Dring issued on March 2, 2017, in this proceeding.

1. Progress of Discovery

Arkema has completed its production of documents in response to Union Pacific's discovery requests.

2. Outstanding Discovery Concerns

None.

3. Plans to Address Outstanding Discovery

Arkema is currently creating a privilege log, which it expects to produce by early next week.

Arkema has proposed multiple dates extending into late August for the deposition of an Arkema witness. UP's counsel has declined to commit to a proposed date until Arkema has produced all additional documents recently identified as potentially responsive and a privilege log.

4. Estimate of Time to Address Concerns

There are no outstanding discovery concerns.

Respectfully submitted,
