To Whom It May Concern:

The people of Winnebago County
do not want the GLB railroad
running through our County.

Frank Patton is wealthy. Does
that give him the right to take
people's homes and land away?

The T.V. reported eminent domain
is used for roads - not railroads.

If Mr. Patton wants a train, he
can run it through his back yard,
not mine. Make sure it's full
of hazardous material on the
trip!!
